SELECTMEN SAY

No change in electric retail power plant

The Wilmington Board of Selectmen and Town Manager have settled a three year discussion and have agreed that Wilmington should retain its connections with the Municipal Light Department of the Town of Reading, and forget at this time any ideas of Wilmington operating a power plant by and for itself.

A four page study, released by the Town Manager and Selectmen Tuesday evening spelled out the details, and the reasons for the conclusion reached.

Mrs. Diane Fielding and George Hooper, who have been the Electric Power Committee of Wilmington, submitted their resignations, at the end of Tuesday night's discussion. In some ways they were reluctant to do so, and in some ways the Selectmen were reluctant to accept, saying that the pair had done a lot of good work.

Hooper noted that they had not spent one cent, of the \$13,000 appropriated by the Town Meeting for their study.

The statement of the Selectmen and Town Manager says that the real reason for the increased cost of electricity is the filed rate increases by the wholesaler and other local uncontrollable costs, such as for labor, equipment and low sulfur fuel charge, which is a State imposed regulation.

They are participating with the Reading Light Department in hearings before the Federal Power Commission on the latest Boston Edison wholesale rate increase, in an effort to contest the increase. Sterling Morris, Town Manager, said he expects to be called to Washington within a week or so to testify before the Federal Power Commission.

The report ends with a statement "We conclude, after much research into the matter, that we would not find it of sufficient economic impact to the people of Wilmington to attempt at this time

DIANE FIELDING (left, with George Hooper) feels that there are dissatisfied persons who will probably institute suits in a Ten Persons action, concerning the electric light rates. Nothing has been done, she told the Selectmen, for the people of Wilmington.

to go into the electric utility business, and it would be entirely possible to suffer a financial loss due to the nature of volume purchasing, and rate setting procedures. We welcome any questions you might have on this report, and as a result of this report will not find it necessary to make any further feasibility studies on the establishment of a Wilmington light department."

A special category for Wiberg's squash

Hugh Wiberg of Andover Street exhibited two home grown squash recently, and the fair authorities had to create a special category for the squash. The smaller squash weighs 175 pounds, and the larger tips the scale at 201!

They are to get a new house, somehow

JEAN AND TOMMY SOUTHMAYD: Shown at the Selectmen's Meeting Tuesday evening, seek to build a home near her mother's home, off Marion Street. Her mother, Mrs. Maryann Delaney, has given them the land, but the Building Inspector is unable to give them a permit, because the street is no longer existent, under the Town Vote on Official Map.

Jean and Tommy Southmayd brought their problems to the Board of Selectmen, Monday night. They want to build a home, and cannot, because of the new Official Map law. The selectmen almost tumbled over themselves, trying to see that they could start their home.

Horribles Parade October 31st

Wilmington's fifth annual Horribles Parade is being planned for Halloween, by a Horrible Committee and the Wilmington Recreation Department.

There are to be prize drawings, this year, from the Great Pumpkin, grown by Hugh Wiberg, and weighing in the neighborhood of 201 pounds.

Prize ribbons are to be given to marchers, as they enter the tennis courts adjacent to the Roman House. On the back of each ribbon is to be a number, and prize numbers, to be drawn from the Great Pumpkin will govern the awarding of the prizes.

There will be no judging this year. The judges will just be busy giving away ribbons.

after they had been granted permission to build, has no authority in Official Map cases - at least in this case.

So the Selectmen granted them the right to get a building permit, and then asked the Town Council if they were right. If they are not there will have to be another hearing, this time before the Selectmen.

Snooky Cushing will be in charge of candied apples and other goodies. Chief of Police Paul Lynch is said to be rounding up the regular variety of apples. There will be cider, coffee, etc.

Hopefully the High School Band will be there, and there is to be other entertainment.

The Parade Marshall is to be Arthur Spear, Chairman of the Wilmington Finance Committee. The parade will form up at 6:30 pm in front of the police station and will march down Church Street. There are usually over 500 marchers.

The committee is looking for donations, to cover expenses. Donations may be mailed to the Horribles Committee, Box 342, Wilmington.

It's Fire Prevention Week

THE WILMINGTON FIRE DEPARTMENT: Will be having an Open House during Fire Prevention Week, starting Sunday at 1 pm. Among those who will be present will be Smokey the Bear. Part of the exhibit can be seen on the front lawn of the fire station, old Pumper No. One, which dates back almost seventy years.

Discussion planned of new school site

Selectman Danny Gillis had several things on his mind when he arrived at the Selectmen's meeting Tuesday night, and not all of the ideas were aired.

Danny spent half an hour in a vain argument trying to get one item onto the agenda. No one knew (other than, perhaps Selectmen) what Danny wanted to discuss, and the selectmen were being coy. Chairman James F. Banda would not allow Danny's item to be discussed, other than under "new business", which would preclude a vote. Banda held that the other selectmen should have an opportunity to investigate, before a vote was held.

Danny's biggest item, perhaps, was the site of the proposed high school, off Salem Street. Danny wants to discuss that in the next selectmen's meeting, which is scheduled for October 23rd.

The selectmen have already had a preview of the site and plans, via slides, and Mr. Gillis feels that the public is entitled to see what he saw, in that slide program. He didn't think the discussion would take long "about 10 minutes," but he felt that the public should know about what the selectmen had seen, in those slides.

Precinct officers were appointed, for all six precincts of Wilmington, putting the Town of Wilmington into the "has obeyed the law" list. The list of precinct officers had been made up by Esther Russell, and were voted for unanimously, with one exception. Selectman James Miceli said he was not voting for Stanley Webber, a long-time election official of Wilmington.

The Georgia Pacific Corporation, now building a facility off Ballardvale Street was almost granted a permit to store 10,000 gallons of diesel oil and 1,000 gallons of gasoline. But, among the questions asked was one by Selectman Boylen, as to where the trucks would be based, for registration purposes. When Mr. Livingston, the architect, was unable to answer the granting of the license was tabled. Mr. Boylen wants the trucks to be registered in Wilmington, because of the income from excise taxes, for the town.

The selectmen spent a happy half hour with John Tsicoulas of 28 Marcus Road. Mr. Tsicoulas has a neighbor, a new individual in Wilmington, who has put up a tool shed, eight feet by nine feet, right by the joint property line, according to the story he related to the selectmen. There is to be a Board of Appeals hearing shortly, but Tsicoulas got all the details explained before the Board of Appeals could hear them.

As Tsicoulas explained things, his neighbor was violating the law, and erected the building without permission of the building inspector. Mr. Gillis, who is ordinarily strongly against the selectmen participating in Board of Appeals hearings, moved that they do so in this case, and that a letter be written. His motion led to some strange interpretations, before the next half hour passed, and it is possible to say that perhaps there were selectmen who did not know exactly how they voted. (The vote was three in favor, Gillis, Miceli and Boylen, and two abstaining, Caira and Banda).

The difficulty was spotted by Mike Caira, who observed that the discussion was very fine, but that the selectmen had not heard from the other party, and he wasn't

going to vote under such circumstances. Mr. Caira felt that both sides should be heard, before a vote.

There were other selectmen who understood what Mr. Caira was trying to point out, and there were a number of amending motions to Mr. Gillis' original motion, none of which were properly seconded.

After the vote had been registered Caira pointed out the facts. Nothing was done except more talk, which ended with Caira saying that "the one arm judge is back in town."

Mr. Gillis brought up the idea of a Beautification Committee, something he has discussed in the past. It would be advisory to the Board of Selectmen, the board decided, and they voted in favor. There was, after that, only one nomination for the committee - Mrs. Paula O'Brien of 3 Harris Street, nominated by Gillis and elected.

Another item on the agenda was for a Bi-Centennial Committee, which was discussed briefly, and then voted. Mr. Gillis nominated the only person elected to this committee, Barry Garden of 96 Middlesex Avenue.

The selectmen heard a report that the attorneys in the Elworthy & Schwartz case, involving a dog, have submitted an agreement, and it has been sent to the Town Counsel for review.

Selectmen George Boylen, Danny Gillis, Jimmy Miceli and Mike Caira will attend the Open House, at Nova Devices, on Woburn Street, as a group. Chairman Banda will not be able to be present.

The selectmen met with the Wilmington Industrial Commission, for some time after 9:30 pm in executive session.

FOR PEACE OF MIND

Father, I know now, if I never knew it before, that only in Thee can my restless human heart find any peace.

For I began life without knowledge, but full of needs. And the turmoil of my mind, the dissatisfaction of my life all stem from trying to meet those needs with the wrong things and in the wrong places.

Help me so to live that my conscience shall not have to accuse, so that I may be saved the necessity of trying to mend that which need never be broken. I know that only then will the civil war within me cease.

May I be winning to have Thee with me in play as well as in work, knowing that with Thee I shall have peace and joy and no regrets. Through Jesus Christ, my Lord. Amen

Gilbert & Sullivan's
H.M.S. Pinafore
is coming

It is about 100 years ago that a pair of witty individuals in London produced a musical operetta entitled H.M.S. Pinafore - they were having a little fun with the Royal Navy, and its antiquated methods. H.M.S. Pinafore has, since then, probably never left the stage. It has catchy tunes, and is a favorite with Gilbert & Sullivan audiences. H.M.S. Pinafore is to be presented in Lowell next March 10th by the Burneau Opera Players, in the Lowell Memorial Auditorium. It will be a part of the presentations by the Moses Greeley Parker Lectures, of Lowell, all of which are on Sunday

afternoons, at 2 pm. On Oct. 14th the Moses Greeley Parker Lectures will be presenting a film "The Lure of Alaska", by Willis Butler, and on the 28th there is to be a film entitled "Exploring Asian Wonderlands" by John M. Goddard, being films of Afghanistan, including the Khyber Pass, Burma and Thailand. Denmark and Greenland is to be the subject of the film on November 4th, and on November 11th the film is to be on Switzerland, a film by Thayer Soule, of which, it is said - See it all.

NIVEN BACKS
ANTONELLI

In the October 3 edition of the Tewksbury Town Crier, Frank A. Antonelli, chairman of the town selectmen, was quoted as saying water Cmsr. Joseph A. McNeil was "playing games" in answering questions about Tewksbury's water shortage. Selectman Neil Niven Jr. was then quoted as saying, "Just like you're playing games Frank..." Actually McNeil made the latter statement.

APPEALS BOARD HEARS
SIGN BUSINESS REQUEST

A request for a variance to sheet form and paint plastic signs on Devonshire Road in Tewksbury was heard by the appeals board. Requests for variances to build three homes; a two car garage with a bath, bedroom and kitchen over it; and purchase of land were also heard by the board.

St Williams
Happy Night

The societies of St. William's Parish will sponsor a "Happy Night" Saturday, October 20. The affair will be casual dress.

Prior to the social, Mrs. Edward Sullivan, prefect of sodality, and Donald Fougere, Holy Name president ask that as many persons as possible attend the 7:30 pm Mass. They should sit in the front reserved section of the church.

Immediately following Mass, in the school hall, a delectable casserole supper is planned with a variety of food sure to please everyone. Following the meal, the remainder of the evening will be spent square dancing.

Instructions from the caller, along with help from a few couples who square dance regularly, will bring even beginners into the swing of things in no time.

Admission will be \$1 a person, and each lady must bring a casserole or a main dish of her choice. It is necessary to make reservations for seating capacity, etc. Call 851-6781 no later than Tuesday, October 16 for reservations.

PLANNER CRITICIZED
FOR REMARKS

Tewksbury planner Joseph Doherty's criticisms of the department of public works study committee has sparked a counterattack by selectman Neil Niven Jr., who serves on the committee.

Doherty has reportedly said the committee was a farce, in that most of its members were officials who would lose their jobs if a DPW was created. He suggested the planning board study the need for a DPW.

Niven stressed the study committee included members of town departments to keep them apprised of what the committee's thinking was.

He accused Doherty of questioning the selectmen's ability to create such a committee and appoint proper persons to it.

"He has offered no constructive comments," Niven added. "As far as his calling the committee a farce, I think he has a lot of gall." He accused Doherty of taking a "cheap shot" at the committee.

Niven questioned how the planning board could study creation of a DPW when members have repeatedly said they were overworked now.

Antonelli suggested Niven ask the DPW study committee to invite Doherty to a meeting to discuss his criticisms. "I've said it time and time again, I guess everybody wants to be a selectman, but we just don't have enough room for all of them," Antonelli added.

LAND COURT

(SEAL) Case No. 8729 Misc.
To all whom it may concern, and to Ernest P. Gossel, now or formerly of Boston, in the County of Suffolk, and said Commonwealth, or his heirs, devisees or legal representatives:

Whereas, a petition has been presented to said Court by Kathleen R. Hopper, Warren P. Hopper, and Earl L. Hopper, all of Wilmington, in the County of Middlesex and said Commonwealth, to establish their title under a low value deed, under the provisions of G.L. (Ter. Ed.) Chapter 80, Section 90-B, running to John D. Cooke, by instrument dated July 2, 1941, and recorded in the Middlesex District Registry of Deeds, in Book 952, Page 425; that the petitioners now hold their title under deed from the Estate of Sullivan P. Rogers, dated May 18, 1969, and duly recorded with said Registry of Deeds, in Book 1884, Page 784, and to require you to show cause why you should not bring action to try any claim or claims which you may have adverse to the petitioners' title arising out of the tax proceedings under which the petitioners' title is based:

Said petition covers a parcel of land in said Town of Wilmington, bounded and described as follows: About 11,189 square feet of land on the northerly side of Argonne Rd., being lots 49-53 inclusive as shown on a plan of land of Chastain Pines, recorded with Middlesex North District Registry of Deeds, Plan Book 26, Plan 40.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defenses to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House) or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lowell on or before the nineteenth day of November next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or from having or enforcing any claim or claims adverse to the petitioners, their heirs or assigns, in the above described land.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week, for three successive weeks, in the Town Crier a newspaper published in said Wilmington.

Varsity football in a breeze

TOM WOODS OUTRUNS THE SPARTANS: Secondary into the endzone, after catching a 30 yard pass from quarterback Carl Butler.

The Wildcats scored touchdowns the first three times they got their hands on the pigskin last Saturday morning enroute to a 41-0 triumph over St. Mary's of Cambridge.

Midway into the opening frame the varsity marched 64 yds in five plays to score the only touchdown they would really need against an overmatched Spartan eleven. Co-captain Dean Devlin logged the ball four consecutive times in the drive for 34 yards to set up a 30 scoring pass from Carl Butler to Tom Woods. Doug Stewart's placement split the upstarts for a 7-0 lead.

On the ensuing series of downs St. Mary's lost four yards in three plays and punted out. The Spartan's punter Russ Goreham shanked the kick and the Wildcats took over at the home club's 33. It took only two plays to make it 14-0 as Ray Noel broke off left tackle for five yards and Paul Fitch broke three tackles at the line of scrimmage and busted off the right side of his initial td of the season. Stewart's pat was perfect.

Early in the second quarter Joe Lunetta recovered a Spartan fumble at St. Mary's 45 and the Wildcats took advantage of the miscue. Moving down field in seven plays with Noel carrying the ball four times for 24 yards including a seven yard run down right end to cap the td drive. Stewart's placement failed and the Wildcats had a commanding 20-0 lead.

Late in the stanza Noel hit Bob Bavota with a 35 yard td pass and with Stewart's successful conversion it was 27-0. The scoring play came on a screen pass which Bavota made a sparkling catch and the burly junior running back broke down the sideline for his initial td of the season. Offensive tackle Ralph Peterson threw a key block to the Spartan 15 to wipe out

the last man between Bavota and the goal line.

In the second half of the second offensive unit went to work with Bob Aprile and Joe Russo leading the way to score a pair of tds. After a scoreless third frame the Wildcats capped a 60 yard march with Russo running in from 16 yards out to make it 33-0. Aprile logged the ball five times in the eight play drive for 30 yards. The drive was set up by defensive back Richie Russo's interception of an errant Corcoran aerial at the Wilmington 40.

On the next series of downs St. Mary's offensive unit continued to sputter as the Wildcats third defensive unit forced the Spartans to give up the ball. Taking over at their 40 the varsity put together another sustained drive to provide the final margin of victory.

Aprile capped the eight play drive with a three yard run and then Bob carried the ball for a successful twopoint conversion. In the final analysis it was an overmatch, which provided the Wildcats with a tune-up for this Saturday's key MVC clash with Chelmsford.

Andover pastes Frosh

The Wilmington High freshmen football squad suffered a 38-0 thrashing last Friday afternoon at the hands of Andover West team. Andover built up 191 total yards rushing in the contest and virtually played the whole game on the ground.

The first four West scores were sweeps of 72, 34, 42 and 50 yards, and other scores were on a point safety and a 45 yard pass.

Wilmington's lone score came

with four minutes left to play in the game on a one yard quarterback sneak by Jim Stewart. Wilmington listed two more points on the conversion pass. Two key plays on the fifty yard drive were passes to halfback Bill Bibeau for 23 yards.

Coach Racioppi hopes for a better showing in tomorrow's clash at Chelmsford as the frosh try to better their present slate of 1-1.

Booters in pair of shutouts

Thu. Oct. 4th: Fullback John Harrison scored his initial varsity goal midway into the final period to provide the Wildcats with their margin of victory in a 1-0 triumph over Billerica.

Goalie Chuck Wood picked up his fifth shut out stopping five Indian shots. Pete Cowan was outstanding for the much improved Billerica eleven, holding the league leaders at bay until the final frame.

Tue. Oct. 9...The varsity booters ran their winning streak to eight with a lack luster 2-0 win over Lawrence. The victory gave Coach Lentine's squad a two game lead in the league as Billerica upset second place Andover, 1-0.

Rick Kiehl booted home his third seasonal goal midway into the second period to provide goalie Chuck Wood with the only score he would need in picking up his sixth shutout. Dave Maloney picked up a well deserved assist on the tally.

Early in the final stanza Chris DiCecca scored an unassisted goal to take the pressure off the defense. Injuries played an important part of the contest as Roy Meyer (ruptures spleen) and John Harrison (groin pull) were forced out of action in the first half. Meyer may be out for the season, while Harrison will probably miss a couple of contests.

Cross country runs past Central

Fri. Oct. 5: The varsity continued to roll, whipping Lawrence Central 17-39 for their third consecutive MVC win. Doug Spring maintained his unblemished record finishing first once again. The varsity's depth proved to be the margin of victory as Coach Kelley's runners gained five of the first six places.

The junior varsity remained unbeaten with a 26-29 triumph over the Raider Jayvees. Tony Gravelle led the way with a winning time of 10:01. Brian Callahan (2nd in 10:35) and Mickey Grant (6th in 10:58) were the next two Wilmington runners to cross the line.

Thu. Oct. 4th: The varsity girls posted their second straight MVC triumph, drubbing Dracut, 4-0. Tammy Oliveira led the offensive attack with three goals, while Leslie Arnold chipped in with a singleton.

Carrie Arvanitis made several outstanding saves in posting her initial shut out of the year. Carlene Butler, along with Kathy Sullivan and Mary Ann Langone turned in some fine defensive plays to hold Dracut at bay.

The Jayvees battled their Dracut counterparts to a scoreless tie, despite the fact that much of the game was spent in front of the Dracut goalie. Jane Conlin and Kathy Briston continued to feed the Wilmington line, but all scoring attempts failed.

Chargers edge Lynnfield

The Wilmington Charger "A" team remained in contention for the top spot in the MVC League as they pulled out a 12-6 squeaker over Lynnfield. Chuck Matthews scored both touchdowns for Wilmington, winning one with only eight seconds on the clock.

Matthews took the handoff and proceeded to run with the ball. An excellent rush forced him backwards, he fumbled the ball and recovered it himself, started running to the right, broke three tackles and followed the superior blocking of his teammates to post the 55 yard touchdown punt.

The Chargers were ready for this clash, after a two week practice period since their last encounter.

Both teams made their share of mistakes, but neither team was able to capitalize.

John Robarge passed for over 200 yards and connected for four touchdowns aeriels to lead the Wilmington B's over Lynnfield, 38-14. Robarge connected twice with Alan Capodanno (40-25), once with John Sullivan (40), and John Briggs (35). Other Charger scores were a 15 yard run by Jim Moran, and a 65 yard scramble by Rick Ballou.

Both Wilmington teams will travel to Dracut this Sunday in hopes to better their present states.

The Wilmington "C" team suffered their first setback of the season as they were beaten by Dracut Blue, 18-0.

The "C" slate now stands at 4-1-0, and they will host Dracut Silver this Saturday at Town Park. Starting time is listed for 10 am.

WILMINGTON YOUTH HOCKEY

Most of the teams entered in the WYIA League opened their season last weekend and it was a split of the six contests reported.

Led by Sean Neal's three goal "hat trick", the Mite B's ripped Medford, 8-1. Saturday evening to highlight the weekend action. Kevin Sullivan chipped in with a goal and two assists, while Joe Cornish, Jay Barrett, Saen Lowney and Mike Kidd each lit the scoring lamp once. Other assists were garnered by Lance Sullivan, Kevin Robinson, Brian Sughrue and Don Gunn.

Earlier in the day the Pee Wee B sextet slammed Arlington, 9-3 in a penalty marred contest. Wilmington jumped out to a 3-1 first period lead on goals by Mike Beatrice, Hoakie LaLiberte and Paul Boudreau. In the middle frame the B's doubled their lead with Beatrice, Rich Robinson and Robbie Greenberg lighting the scoring lamp. Tim McCann, Robinson and Greenberg closed out the scoring with single markers in the final stanza. Wilmington maintained a wide 28-10 shots on net advantage. Rick Ballou and Matt DePasquale

shared the goal tending chores and turned in good performances. Jim Burns picked up four assists to aid the cause.

The Squirt B's outshot, out skated and out hustled Somerville Sunday morning, but came up on the short end of a 6-5 score. The offensive scoring parade was led by John Cushing's two goals, while Jeff Stauffer, Chuck McNeil and Frank Newark lit the lamp once each. Assists were garnered by Ronnie Greenberg, Chris Turner, Darryl MacDonald and Dave Elliott. Dana Tarricone played the entire game in goal and turned in a creditable performance.

The Squirt A's were bombed by Reading, 8-1, but on Monday evening the Mite A's turned the tables on Reading to the tune of 7-1.

REDMEN SCALPINGS

Fumbling Redmen nipped by Billerica

Offensive mistakes once again plagued the Tewksbury High School football team as they went down to defeat 6-0 at the hands of a tough Billerica squad.

The game, played at Tewksbury's Center School Field, contained numerous mistakes by both squads. The poorly played contest began with Billerica kicking to Tewksbury. The Redmen took the ball at their own 30 and managed to advance the ball to the 47 before attempting a fake punt that failed.

Billerica then took over and on their first play from scrimmage junior halfback Pat Selza rambled to Tewksbury's 38 on a neat ten yard gain. Selza then went off right tackle for thirteen yards on the next play. Selza continued his fine running with another carry down to the Redmen 15. The drive was halted forever when senior tackle Jim Looney sacked Billerica's Paul Hamilton when the senior quarterback attempted to pass.

The Redmen seemed determined to use the halfback option pass with halfback Tom Morin failing to complete the pass twice on their next series.

Billerica began another drive after Tewksbury's Dave Smith fumbled on his own 25. This drive was killed when Billy McCann dropped Hamilton at Tewksbury's 38. When Tewksbury failed to move Billerica received the ball and was moving again before Dave Zimmerman fumbled on Tewksbury's 16; Tewksbury managed to hold on to the football for exactly one play before Bill O'Brien picked off a Dave Smith pass at the Redmen 24. With 4:07 left in the half Billerica sensed that this would be their last opportunity to go into the locker room with a lead. On a third and eleven play Hamilton hit end Mark Schermerhorn with a pass at the Redmen 16 and it looked like Billerica would score.

On a crucial fourth down play Selza pounded down to the 12 for the first down. Three incomplete passes into the Redmen endzone killed this final drive of the half. Billerica had moved the ball well in the first half but mistakes had hindered their progress at times.

The Redmen seemed content to pound at the Billerica middle with little success.

The second half began with Dave Zimmerman taking the kickoff to his own 35 on a fine run, but Billerica was stopped cold by the Tewksbury defense on their first series. Once again Jim Looney led the defensive charge with a sack of quarterback Hamilton. The Redmen offense again failed to support the defense as Dave Smith fumbled the snap from center and Billerica pounced on the ball at the Tewksbury 13.

On the next play Looney and Steve Flagg combined to drop Selza at the 16. On a third down play Hamilton once again hit Mark Schermerhorn at the five, but the Redmen defense, playing superbly, held once more. The teams exchanged fumbles again when with 6:49 left in the game Tewksbury's John Breen fumbled a Billerica punt at his own 25.

On the next play Peter Hefferman fumbled for Billerica and Bill McCann pounced on the ball. Two Rick Mackey runs brought the ball to the 25 before Smith fumbled the snap from center again. This was one mistake too many as Billerica was to finally capitalize on a Tewksbury error. Hamilton who was having a brilliant day hit Dave Zimmerman with a perfect throw to the 17. He then hit his favorite receiver Schermerhorn at Tewksbury's five. The scoring draught ended on the next play when Selza shredded tackles and banged into the Redmen endzone. The conversion attempt failed and Billerica led with 4:06 remaining. The last Tewksbury series was pass at the Redmen 24. With 4:07 left in the half Billerica sensed that this would be their last opportunity to go into the locker room with a lead. On a third and eleven play Hamilton hit end Mark Schermerhorn with a pass at the Redmen 16 and it looked like Billerica would score.

This week the Redmen take on non-league opponent Pope John at Tewksbury. Game time is 1:30 at the Center School field.

The Wildcats captured the next three places and needed to place only ONE runner in the next four spots for the win. Instead the Redmen came on strong grabbing the next four places to provide their final margin of victory.

In the jayvee encounter the Wildcats extended their unbeaten streak to four with a 19-38 triumph over the Redmen junior varsity. Tony Gravelle, Gary Balestrieri and Myron MacInnis came in 1,2

COUGAR CORNER

The Austin Prep Cougars football squad, looking for their twelfth straight win went down to defeat at the hands of powerful Andover last Saturday. The Golden Warriors romped to a 35-6 win over the Cougars who have lost a game, but not their heart. They expect to rebound next week when the travel to Billerica for another Merrimack Valley Conference game.

Although the spirited Cougar defense stopped Andover four times inside the 10 yard line they still were able to chalk up five touchdowns and make five successful kick conversions.

Midway through the first period with fourth and ten, Austin's punter, Steve Webster couldn't handle a bad snap from center. The ball rolled into the end zone with Bob St. Armand covering it for the first Andover score. Peter Reilly made it 7-0.

After the home team intercepted a pass on their own 22, Mark Sweetser directed a 78 yard six play march for Andover's second score. Steve Fabiani finished off the drive with a sweep from 11 yards out.

The second quarter was scoreless due mainly to the efforts of Dan Agati, Austin middle linebacker. Andover was stopped from scoring on two occasions, even though they had the ball on the six yard line and again on the two.

An Austin fumble set up touchdown number three, capped by a ten yard sweep by Jeff Winters, Andover junior signal caller. This same lad pushed the score up to 28-0 in the fourth quarter when he broke through the Austin left flank for a 40 yard scoring run.

Austin's only points came when Chuck Gaudet hit Bill Kiley with a screen pass, good for 12 yards and a touchdown. The conversion kick was blocked by the hard charging Warrior line.

Moments later Mark Sweetser hit Verriete over the middle for a 54 yard touchdown strike to end the scoring for the day.

Austin's quarterback, Charles Gaudet, made his presence known. He punted five times for a 40.3 average and he completed nine passes in 32 attempts for 108 yards.

Something like the Deacon's One Horse Shay

JIMMY ZACCAGNINI: Of Middlesex Avenue, Wilmington had something happen to him which was like the One Horse Shay, of Oliver Wendell Holmes, last Tuesday. Jimmy was going to take a TV set to a friend. He put in the back of a small flat bed truck, and started off. The truck had gone no more than 100 feet when something happened to the nuts and bolts that held the front wheels together, and like the Deacon's One Horse Shay everything fell apart. The truck tipped over, somersaulted. The TV set landed on the sidewalk. Jimmy Zack was tossed out, but without much injury. The fire department washed down the street for half an hour, and motorists were tied up, up and down Middlesex Avenue.

The Compugraphic Corporation, which is probably the largest employer at this time in the town of Wilmington, has been working on plans for some time past to make a photographic typesetter for the Japanese language.

It is possible, but is it probable? The reader will ask. There are many thousands of ideographs in the Japanese language. Perhaps a computer typesetter can memorize about 3000 of these - perhaps. But, after Compugraphic succeeds in getting a typesetter which memorizes 3000 or so characters, who is going to proof-read the results, and tell if Compugraphic is right?

YOUR Pharmacist SPEAKS
By Boule

In the eighteen hundreds, three important events took place which make medicine what it is today.

First of all, there was the introduction of anesthesia under surgeon Joseph Lister. Secondly, the study of germs became most important to medical science, including studies done by such famous men as Robert Koch and Louis Pasteur.

Third, men were beginning to use more accurate instruments and to be more accurate in their diagnoses. It was a lucky century, for us!

And it will be a lucky day for you when you rely on Silver Lake Pharmacy, 52 Main St., Wilmington for all your prescription and health aids. The finest quality merchandise and prompt, courteous service awaits you at Silver Lake. Phone 658-4617 for free delivery service.

IT'S TIME TO CLEAN OUT THE ATTIC AND BASEMENT

October 7-13th is Fire Prevention Week, a good time to get rid of the junk in your basement and garage that could easily turn into a fire hazard. It is also a good time to check your electrical wiring and also the operation of your furnace.

Eliminating these risks is one way to reduce our nation's high annual fire loss which would mean lower premiums on your insurance. It's well worth the effort.
